HERITAGE P1 CONNECT – QUICK START GUIDE

DAB+ Radio with Wi-Fi, Bluetooth, Internet Radio and Multi-room

QSG-SEP15-HERITAGE PORTABLE CONNECT

1. GETTING STARTED:

- (a) Connect the power cord into the DC-In socket.
- (b) Connect the plug to the mains socket.
- (c) Switch the main power switch to "POWER ON".
- (d) Press  to turn the radio on. "Setup wizard" will be shown when switched on for the first time.

NOTE: Keep connected to mains power for 6hrs to allow battery to be fully charged.

2. SETUP WIZARD

When your Heritage P1 is started for the first time, it runs through a setup wizard to configure settings for date/time and network.

- (a) Press SCROLL/SELECT knob to start setting.
Turn and then press SCROLL/SELECT knob to set 12 or 24 hour format, synchronously update clock from DAB, FM, Network or No update. Keep network connection in all modes and select your network and insert the network password to connect.
- (b) When establishing a connection via WPS, you can select "Push Button" to press SCROLL/SELECT knob on your radio and SELECT button on your router to establish connection; or select "PIN" to enter the 8-digit number which is created by your radio into your router to establish connection; also you can select "Skip WPS" if you are using a standard network password and then enter your password to complete the connection.
- (c) Setup wizard is completed, press SCROLL/SELECT knob to exit. "Main menu" will be shown with "Internet radio" being highlighted. Now, you can select your desired mode.
- (d)

NOTE: When used outside of network range, this product will always scan for a network connection when the "keep network connection" setting is selected during setup. In this case to disable the "keep network connection" go to MENU>MAIN MENU>SYSTEM SETTINGS >NETWORK>"Keep Network connected" and set to NO.

3. LISTENING INTERNET RADIO

Mode “Internet Radio” lets you listen to thousands of global Internet radio stations and Podcasts.

- a Press SCROLL/SELECT knob to select “Internet radio” in main menu.
- b Turn and then press SCROLL/SELECT knob to select your desired Internet radio station or Podcast.

4. PLAY MUSIC VIA SPOTIFY CONNECT

Your radio has Spotify Connect built-in, this lets you control the music on your radio using the Spotify App on your smartphone, tablet or PC.

- a The Heritage P1 radio must be connected to the same network as your smartphone or tablet. Open the Spotify App on your smartphone or tablet and play any song.
- b Tap the song cover image at the bottom left corner of the screen, and then tap the Spotify Connect icon .
- c Tap “Heritage P1” from the list.

5. LISTENING DAB RADIO

Mode “DAB” lets you listen to all digital radio stations in clear crystal sound, with better reception and more choice. To check if you have coverage in your area, visit: www.digitalradioplus.com.au

- a Press MODE button repeatedly to select “DAB” Mode.
- b For initial use, radio will carry out a full scan and store available DAB stations in memory. Make sure antenna is fully extended.
- c Turn and then press SCROLL/SELECT knob to listen to your desired DAB stations.

6. USING PRODUCT ON BATTERY

- a Allow 6hrs for the battery to be fully charged.
- b To use on battery disconnect power cable from the back of the Heritage P1. Press power switch to “Power ON and then press the  button”.
- c Product can run on battery for 8-10hrs at 2/3 volume.

NOTE: When in standby this product will use battery power as the screen and network settings are active. To save the battery when not in use switch the main power switch on the back to “Power OFF”.

7. BLUETOOTH / NFC

You can play music from any Bluetooth-enabled device through your Heritage P1.

BLUETOOTH:
